## Homecoming Includes Alumni Two Day Celebration Planned

SAC alumni will play a big part in this year's homecoming celebration, November 12 and 13.

Freshmen volunteers are now in the process of compiling corrected mailing lists and addressing letters to former SAC students inviting them to the homecoming game and dance.

"The mailing list covers all former students since the beginning of SAC in 1915, and also former and retired members of the faculty," said Sky Dunlap, Del Ano adviser.

Letters include the first issue of a new alumni publication called EL-DONITO, which is a miniature edition of EL DON. It is a small two page publication telling of the homecoming and also of the new building program soon to start on campus. Other faculty and student affairs news is included in EL DONITO.

In the two day celebration, November 12 and 13, the alumni will sit in a special section at the Santa Ana-Riverside football game, Nov. 12, and they will also be guests at the homecoming dance Nov. 13, in the Student Union.

The Homecoming Queen will be elected by those who buy tickets to the Homecoming dance. Queen candidates will be nominated by the various campus organizations. The winner will be crowned at the football game, and will reign over the dance the following night.

Sponsors for the dance are Mr. and Mrs. John (Sky) Dunlap, Mr. and Mrs. T. H. Glenn, Mr. and Mrs. Bill Helm, Mr. and Mrs. Harold Moomaw, and Mr. and Mrs. Horace Scott.

## Counselor Calls For More Job Listings

Employers who would like student help are asked to list their job openings with the employment office located in F51, in the administration building, announced Ernest Crain, employment counselor.

Crain also says that at present time, there are more student applicants for part-time work than there are jobs to be filled. "Many students," he further states, "want to work badly, and need jobs to help meet their college expenses."

Any job openings may be listed with the employment office located in the administration building. "All jobs listed with the SAC employment office receive prompt and courteous attention," stated Mr. Crain.

## Del Ano Pix Taken Monday

A photo studio to take freshmen and sophomore pictures for Del Ano is being set up Monday in the women's P. E. building, Editor Herb Larsh announced today.

Pictures will be taken starting Monday at 9 a.m. during P. E. classes. Students will be excused from P.E. for the few minutes required to take the picture only. All students will have had their pictures taken at the end of two weeks.

Time schedule of pictures to be taken will be posted on the bulletin boards in the men's and women's P. E. buildings. Men will be photographed with coat and tie and also an informal nose.

Proofs will be available the day after pictures are taken, and must be returned within a week. There will be a nominal fee of \$1 for the photography. Oliver and Loving Studio will set up the photographic studio.

While efforts will be made to complete the pictures of all students on campus, the studio will be returned briefly next semester to include the new students at that time.

**ALUMNI PROJECT** — Miss Rita Riggs, right former SAC student and now on the faculty, checks alumni names with two of the freshmen volunteers, Ginger Cook, left, daughter of Athletic Director Bill Cook, and Martie Jo Musick, daughter of Sheriff Jim Musick. Hundreds of invitations to Homecoming events went into the mails this week, including the first issue of El Donito, miniature newspaper of alumni news. (El Don Photo by Jerry White)

## Santa Ana Rotary Club Sets Up VISA Program For SAC Students

The Santa Ana Rotary Club has organized a program called VISA, Visiting International Students Association.

Originating in the Los Angeles district of the Rotary Club three years ago, the VISA program was picked up by the Orange County area in 1951, with the Santa Ana Club being one of the first.

Members of VISA on this campus are Ghulam Mohammed, Fiji Islands; Muqbil Zahawi, Iraq; Esther Tugby, Venezuela; Isosolani Puesi, Samoa; and Theresa Alvarez, Mexico.

### PLANNED PROGRAM

Last October 25, VISA met in the home of an Anaheim member. At this meeting the club planned a program designed to help the students get acquainted with the United States, its customs, and the American way of life. VISA plans to visit factories, movie studios, and athletic events to see for themselves, just how this country of ours works.

VISA is set up to sponsor friendship and goodwill. If a foreign student gets into difficulty, the Rotarians try to help him financially to get over the emergency, but financial assistance is not part of the program. Only foreign students who intend to return to their native land may belong to VISA.

### ORIGIN

The Rotary Club originated the idea for VISA, after they discovered that some Chinese students, educated in this country return to their homeland, became Communists, and sneered at the United States. The Rotary Club believes that if effort is made to show the foreign students that Americans are interested in them, they would be ambassadors of goodwill, when they return to their own country.

All five SAC VISA members intend to go back to their native countries at the finish of their schooling, and apply the knowledge there, they have gained while in the country.

Dr. Daniel C. McNaughton, college director, is VISA chairman for the Santa Ana club, and Guy McHenry is chairman of the district.

## Counselors On Campus Soon

Admission officials from three major campuses will counsel with Santa Ana College students next Monday and Tuesday, it was disclosed today by Royal C. Marten, head counselor.

Dr. John Atherton, from Claremont Men's College, will meet with students at 9:30 a.m. Monday in the Faculty Lounge.

E. Howard Brooks, Assistant Director of Admission from Stanford University, will open his conferences at 11 a.m. Monday.

J. J. Sheffield, Director of Ad-

## Orange Coast Gives Exchange Assembly Today

Orange Coast College visits Santa Ana today to present their part of the planned assembly exchange between SAC and OCC.

Acts OCC will present include singing, dancing, snappy patter, skits, piano players, and monologues. Assembly time is 9:00 a.m. in the flagpole area. 9:00 classes will not be held.

Tuesday, October 27, the radio workshop, under the direction of Rita Riggs, and the music department, directed by Gordon Wheatley, entertained SAC students. Wednesday, Oct. 28, they gave the same assembly at OCC.

The Radio Workshop presented a studio play entitled "The Canterville Ghost," by Oscar Wilde. Arthur Sherman played the Ghost, Carol May was Virginia, Darlene Lewis was Mrs. Umney and Lady Elinor, Delano Roberts played Lord Canterbury and Washington, Ron Hallett portrayed Jefferson, Jim Hollenbeck was Mr. Otis, and Bill Moodie was narrator.

The Swing Choir appeared on the same program singing, "Down By The Station," "Lady of Spain," with solo by Russ Patterson, and Leroy Carreiro sang "Embraceable You" with the choir. Solos were sung by Jim Hollenbeck, "Deed I Do," Jo Courreges, "Stormy Weather," and "I've Got The World On A String," Ruthie Hall, "How High The Moon." The SAC choir sang "Don't Call My Name," and Gordon Wheatley soloed in the final selection, "I'm Gonna Live Till I Die."

**STUDIO PLAY** — Pictured above during the production of the "Canterville Ghost," are from left to right, Ron Hallett as Jefferson, Delano Roberts as Lord Canterbury and Washington, Carol May as Virginia, Art Sherman as the Ghost, and Darlene Lewis as Mrs. Umney and Lady Elinor. (El Don Photo)

## EDUCATION OR ARMED SERVICE 'THAT IS THE QUESTION'

Even though the military strength of the nation needs men, the Orange County Recruiting Service is still advising young men, especially college students, to finish their education before entering the service.

This is quite understandable, because modern armies depend more and more on education. Yes, you will probably laugh at this and say that you don't need a college degree to dig a fox hole. I will agree with you in the sense that you do not need a degree, but you do need the education resulting from it. Someday perhaps a course in physics might save your life or supply you with a lifetime profession.

The educated man is the person most sought after today by both the armed services and civilian employers. If you are attending college and feel you must join the service before you are inducted, your local draft board urges you to see your college officials.

Here at Santa Ana College, Mr. John Johnson, Dean of Men, is in charge of a special service to give needed information to persons puzzled about their educational career as affected by the probability of induction. If necessary, Mr. Johnson will supply you with a letter of application for deferment from your draft board.

## Teachers Are People Too . . .

Teachers are people too. But somewhere in the midst of today's compulsory education the student has seemed to deny his teacher this consideration and has instead conceived his instructor as someone only intent on compelling him to a classroom.

However, this viewpoint is seldom shared or retained by the college student, who is in quest of a higher education and realizes that the instructor is here to help him in that search.

The student in college is looked upon, by his teachers, as a mature adult capable of assuming his own responsibilities and making worthwhile use of his own time. He is no longer expected to have the characteristics of the high school student of yesterday, elucidating his own boredom through discourtesy to his instructor, or the junior high school student with an inveterate grudge against all teachers.

Above all, it is important for the student to realize that if he walks into the classroom, with a feeling of rebellion against his teacher, he is going to make it more difficult for himself to learn anything, and much more difficult for his teacher to teach him anything. Just remember, if you help him, he will in turn help you.

## 'STRANGE THINGS ARE GOING TO HAPPEN' OCTOBER 31

"Strange Things are Happening," tomorrow night, October 31st.

The 31st of October is a day of legend, to many people of the world. Fun, excitement, fear, and enchanted children with their eyes bright and shiny, add to the celebrated day.

To many SAC and OCC students, it's a day of riveting as the BIG game is slated for tomorrow night at 8 o'clock in Huntington Beach.

Many Anaheimers, started months ago with preparation for the week end event. Anaheim holds a festive occasion annually in the Halloween theme. The early morning costume breakfast starts the day of events, whisker-wrino contests, kangaroo courts, and the keystone cops, all add fun, throughout the day. Towards evening the spectacular parade of floats and bands start the line of march. The theme of the parade this year is "Out of this World." Walt Disney design many floats that will depict the fairy land tales.

Yes, through the Southland there are many celebrations in store for all ages. There will be victory and glory for some and heartbreak for others, and yet the 31st of October will long remain in our hearts.

## Your Future Holds What?

By Nan Morales

What does your future hold for you? What are you doing towards your future? These questions and ones like it are the ones that I am going to attempt to answer.

From now on, you'll find this column appearing frequently in the El Don. I hope that it will help you find your goal towards the future.

Before I plunge myself into a certain career that you might possibly be interested in, I want to write about something that will concern everyone. "The basis of a successful person." In the future, I intend to base each column on a certain career such as secretarial work, clerical, civil engineering and the like.

It is the hope of everyone to be successful. What does being successful mean? It means earning and enjoying a good living. Before you can attain that, you must be happy at home. Happiness in a home is one of the most precious things in life. How are you going to attain the knowledge of how to keep a happy home? Right here in school is the place to learn, besides from your parents. Classes in home economics and child development are just a few of the courses offered here at SAC.

## Something New Has Been Added To SAC Library

When the pressure of preparing assignments begins to pall and life seems to be one lesson after another, just stroll over to the library and ask Miss Bradley to see the children's books.

Many books are on display for parents who are studying child development in the campus nursery school which is directed by Zena McMurray. Lota E. Blythe teaches the new class which is called Children's Literature.

A few minutes spent browsing through such books as: *Make Way for Ducklings* by Robert McCloskey, *The Biggest Bear*, by Lynd Ward and *King of the Wind*, *The Story of the Godolphin Arabian* by Marguerite Henry will send you back to your studies with a smile on your lips and a sparkle in your eye.

## GORDONAIRS REPRESENT SAC IN COMING EVENTS

The Swing Choir, better known as the Gordonairs, was organized two years ago under the direction of Gordon Wheatley, Music Director.

Its purpose is to perform for school and off campus functions, and to represent SAC and their music department, in social events throughout the county.

This year started off with a bang! September the eleventh, was their first performance of the year. They also presented a forty minute show in Los Angeles for the Southern California Pharmaceutical Association. The Gordonairs were featured as guest artists on the N.T.C. Television program, "Hollywood Road To Fame." There were many other programs in which they appeared; The Second Guessers and the District P. T.A. meetings.

### Auditions To Be Held

Johnny Mercer's agent, has taken special interest in the group and has written several letters asking about the group. Arrangements are also being made for an audition with a major recording firm, sometime after the first of November. Yes; there are many things in store for this vocal group composed of 16 members and their accompanist.

### Coming Events

Many programs are in line throughout the month of November: assemblies, exchange assemblies, and P.T.A. meetings. They have also been asked to perform for the Arm Service YWCA in Long Beach. It will be broadcast over KFOX later this month.

### Featured Soloist

Featured soloist this season are: Jo Courreges, Ruthie Hall, Russell Patterson, Leroy Carriero, and Jim Hollenbeck. A few of their favorite numbers are: "Can't Help Loving That Man of Mine", "Embraceable You", "Deed I Do", and "September Song". "I'm Going To Live Till I Die", "Best Things in Life Are Free", and "Down By the Station" are a few of the group arrangements, presented in their programs.

The Gordonairs hope to have an informal uniform to coincide with their formal attire used at the present time.

"I feel that the Gordonairs are as professional as any group singing today, and I have every reason to believe that very soon they will get that first big professional break, they deserve," said Mr. Wheatley. However, said Gordon, "Whatever happens to the group, we will continue on, serving our school and off campus activities as before."

## Two Named to Conference Dance Band

Ron Burkhardt and Peter Pendarvis, SAC students, have been selected for the all Eastern Conference Dance Band.

The Eastern Conference Dance Band will play for school, private, and public dances. They will also make a television appearance in the near future.

Ron Burkhardt, Sophomore Class President, SA members of the Executive Board and Las Caballeros, he has been playing his "golden" trumpet in Santa Ana for dance combos and a few of the big name bands of the country.

Peter Pendarvis, SAC Music Major and a member of the Bachelors, has mastered the 88 piano keys so well that they are entirely at his command. He may be remembered as a member of "The Off Beats", at SAHS.

Be listening and watching for this new Dance Band, as they will make several appearances this year.

## Carmela Clark Has SA Register Job

Carmela Clark, reporter and feature writer on last year's El Don, began work on the Santa Ana Register recently as a reporter and feature writer. Previous to this she was on the editorial staff of the Orange Daily News.

Mrs. Clark was on the "All American" El Don staff of last year and received praise from the University of Minnesota for her feature writing. She also received a second place award in a college journalism contest sponsored by the University of Southern California.

Marlene Veeh, SAC journalism major of '52, is also working on the Santa Ana Register as assistant society editor.

Always ready with a song, the swing choir better known as the Gordonairs are seated from left to right: Leroy Carriero, Ruthie Hall, Gene Parr, Pat Fink, Phil Sharpe, Lois Swift, Russell Patterson, Jo Courreges, Bill Moody, Gay Rice, and Bob Baker. Standing: Gordon Wheatley, Director of the group, Joyce Allison, Jim Hollenbeck, Marilyn Larzelere, Carol Lacey, Del Roberts, and Vina Mae Harmer. (El Don Photo)

**RHYTHM, MELODY, AND COMPOSITION** are the key words used by the Music Department of SAC. Featuring the department's activities in the above picture are, upper left, student Jerry White discussing a classical record with instructor Douglas Lamont. At work at piano harmony, lower left, is Bill Moodie with instructor John C. Campbell. Singing a solo with the Swing Choir is instructor Gordon Wheatley, pictured at the right.

## Students In Auto Shop Gain Actual Practical Experience

A class project of the auto shop students at Santa Ana College is the revamping of a Cadillac motor, taken from an army tank, into a commercial car motor.

This is one of the methods used to acquaint students with practical problems, since the college shops have been remodeled and replanned to conform almost exactly with professional repair shops in the placement of tools and machinery.

As a means of better studying carburetors, fuel pumps and instruments, students are fashioning cutaway models for class instruction.

The students are building a portable frame for the new V-8 overhead valve motor, just received for class use as a gift of the Ford Motor Company. Still to come from the Ford Company will be a Fordomatic automatic drive unit, tying in with a course in its operation to be taught by instructor George Sweeney, and a Ford 6 with all accessories to run as a live engine on a class stand.

The college shops already include a wide range of motors and equipment to give students practical experience in repairs, operation, theory and automotive principles. Two Plymouth motors were donated last year by the Chrysler Corp., while two other new pieces just purchased are a hydromatic transmission unit and a differential unit.

Soon to be added will be a Pontiac 6 and Pontiac 8 motor, frames and transmissions, Sweeney said.

Now being equipped for use is a newly-purchased portable steam cleaning plant, which can be used in connection with the fully-equipped grease department and the hydraulic hoist adjacent to the college shops.

Many graduates of the Santa Ana College auto shop program have gone into Orange County commercial shops.

## Young Farmers Receive Honor

Paul Andres, agriculture instructor, announced today that SAC's Young Farmers Club won honors for its booth displayed at the Los Angeles State Fair.

Young Farmers were awarded fourth prize for the booth in which they displayed various types of peaches and nectarines which were grown on SAC's trial plots.

Construction of the booth started last summer before the beginning of the fall semester. It was on display in Los Angeles from September 18 to October 4.

## Men Name New Club Members

### Bachelors

Last Wednesday evening, the Bachelors held their formal initiation in the Student Union.

Pledges were Frank Langon, Fred Baker, Joel Gill, Guy Bennett, Frank Keller, Buddy Hill, Bob Jukee, Dick Ellis, Al Turner, Steve Page, Clem Mendez, Earl Elson, Vic Shille, Phil Gustlin, Andy Flores, Jack McCormick, Dick Peterson, and Bob Smith.

Officers for the club are Bill Sidnam, president; Jack Dales, vice-president; Delano Roberts, secretary-treasurer; Pete Pendarvis, sergeant at arms; and Jim Prager, assistant secretary. Carl Schulz is club adviser.

### Buccaneers

Buccaneers new members are Ronald Adel, Bob Burke, Darrell Cooney, Dick Dimingos, Tom Frazier, Ray Gera, Bobby King, Dean Lappin, John Lindquist, Gary Mark, Aaron Peralta, Eli Perata, Alan Pierson, Paul Stokes, Chuck Lyons, and Hubert Via.

Club officers are Bill Grant, president; Jack Moynihan, vice-president; Jim Shiley, secretary; Ed Liptrap, treasurer; and Jack Elder, sergeant at arms.

### Vets Club

The Vets Club was formed for the first time last year by the veterans who had returned from service during the Korean War.

New members in the Vet's Club are Al Pierson, Ed Liptrap, Bill Grant, Ray Robinson, Sid Keown, Bernie Robinson, F. S. Ross, Russell Patterson, Ralph Kuehl, Charles Yelverton, Paul Nelson, Ralph Lopez, Paul Stokes, Dean Lappin and O. L. Clonkey, M. D. Jones, Ben Tessada, Jack Moynihan, John Garcia, Jerry White, and Leo Flavell. Ernest Crain is club adviser.

### Young Farmers

A progressive club on campus is the Young Farmers, who are now engaged in selecting a Homecoming Queen to represent their organization.

Janet Tidball, president; Esther Flores, vice-president; Betty Van Meter, secretary; Donna Carpenter, treasurer; Dana Edwards, Gretchen Heysel, Tobianne Selindh, and Sue Stuart.

### Spinsters

Spinsters added 11 to its membership when they held their formal initiation last Monday evening in the home of Maureen Holthe, president. Janice Masters is secretary-treasurer.

New members are Jane Arnett, Mary Lou Bird, Gloria Erquiaga, Donna Hohanshelt, Joy Jackson, Nan Morales, Elinor Nielsen, Beverly Petterson, Theresa Seeley, Jara Vaught, and Nancy Woods. Lota Blythe is club adviser.

## Appreciation, Self-Expression Professional Skills Taught By SAC Music Department

(Editor's Note: Following is the second of a series of articles written by Lorraine Elam, El Don reporter, to acquaint students with the various departments of the college.)

The melodies that come from building "W" on the Santa Ana College campus may recall to the memory of a passing student the sound of waves on a sandy shore, a glamorous dancing partner, or an evening at the opera.

Inside building "W" the students are hard at work learning how to sing, to play, create, and listen to music with appreciation. Mr. Gordon Wheatley, head of the music department, stated this week that "MUSIC 9 is the chorus. MUSIC 9 is for singers with good voices, and people who like to sing, but don't because of a voice that is not all that could be desired."

Wheatley explained "that any voice can be improved by choral singing, and we will train anyone with a passable voice."

### Professional Work

The Swing Choir, MUSIC 10, is for students with outstanding voices, who want to do professional work. These singers get experience by appearing on television and radio programs, at school assemblies, and before other audiences.

Students who join the SAC band, or MUSIC 34, study popular dance-band music and receive experience by playing at football games, parades, and college productions.

### World's Greatest Music

To join the combined Santa Ana College and High School orchestra receive first-hand experience have the ability to play and read music. The orchestra appears in recitals in the community and before school groups.

"The world's great musicians have composed music for the orchestra" said Mr. Douglas Lamont music instructor and added "that students who join an orchestra receive first-hand experience with the best in music."

### Enjoyment and Appreciation

By listening to recordings of symphonies, concertos, operas and other compositions the students in MUSIC 20 acquire an open-minded and understanding attitude toward music. Homework is in the form of weekly reports on selected radio and television programs which help the students become more critical of the music to which they listen.

MUSIC 2 is a more advanced course in the history and appreciation of music. The members of the

class learn to identify music written during a given historical period.

### Stage and Creative Work

Musicianship or MUSIC 1, is where students learn to read music. MUSIC 4 is a course in creative music, where the composition of an elaborate piece of music is possible by the end of the course. "Stage presence" and how to sing before an audience in a natural manner is taught in MUSIC 7.

### Keyboard Harmony Taught

Students in MUSIC 36 learn to play popular and classical pieces and how to transpose them from one key to another on the piano. They learn how to build a musical structure around the basic chords of a melody.

"Music should be a part of everyone's life," said Mr. John C. Campbell, instructor of keyboard harmony, voice, and piano. He added that "music is an excellent means of self expression and adds to a person's enjoyment of life, and the ability to communicate with his fellow man."

## Campus Art Club Visits Art Studio

Alpha Rho Tau, the campus art club, held its first meeting Tuesday, October 13, in the art room, during which Bill Zahawi was elected the president.

Other officers elected are Budd Coons, vice-president; and Dian Frisbie, secretary-treasurer. After a short business meeting, the art club journeyed to Vaughn Art Studio in Costa Mesa.

While visiting the studio, Mr. Vaughn, owner, gave the club an illustrated lecture on his collection of mobiles, paintings, and drawings.

Alpha Rho Tau members are: Budd Coons, Dian Frisbie, Robert Mac Coman, Jody McKie, Jeanette Prather, Susie Sepulveda, Don Smith, Tie Tanaka, and Bill Zahawi.

Miss Frances Egge, art instructor, is club adviser.

**INTERIOR DECORATORS** — Busy redecorating the SAC library listening room are Jodie McKie, left, and Claudine Taylor, right. Planning the redecoration of the room are Ruth Bradley, librarian, and Rita Riggs, drama instructor. Both listening rooms in the library will be refinished this semester for student use.

(El Don Photo)

# Dons Battle OC Pirates

**EXCUSE MY BACK**—Danny Prall (32) goes for 19 yards and a touchdown in the fourth quarter of the Santa Ana - San Bernardino game on a boot-leg play. Two unidentified Indians go rolling in Prall's dust. The Dons beat the Indians 22-14. (El Don Photo by Jerry White)

## San Bernardino's Indians Scalped Santa Ana's Dons Go On Warpath

Snatching a half-time lead of 12-0 and not once surrendering the lead, Santa Ana upset San Bernardino's Indians 22-14 at the Orange Show Stadium last Saturday.

Jim Roberts, Chuck Neal and Dan Prall scored a touchdown apiece, and Jarrett Terrell booted a field goal and extra point for the Dons.

In the first quarter Roberts intercepted a pass intended for Daryl Turk of the Indians and returned 22 yards for the first touchdown in ten minutes of the first quarter.

### Neal Scores

For the second touchdown Gene Geselle pitched-out to Neal who went 16 yards to the end zone standing up, with three minutes of play left in the half.

In the third quarter Terrell kicked a close to missing field goal from the 22 yard line. Prall scored the third touchdown on a bootleg play 19 yards out in the fourth quarter.

### 22 Yd. Field Goal

With a 12-0 half time lead, Terrell raised Santa Ana's total to 15 with a 22 yard field goal. The Indians went to work in the third quarter, Moor blocked Prall's attempted quick-kick on the Don's

### SCORE BY QUARTERS

Santa Ana ..... 6 6 3 7 - 22  
San Bernardino 0 0 7 7 - 14

16, picked the loose ball and skirted into the end-zone. Willis converted and sliced the Don lead 15-7.

They again cut the Don lead in the fourth quarter when Alan Turner fumbled on the Don 28 yard line, Dick Hayes and Don Marek recovered for the Indians. Marching to pay dirt when Turk bucked across from the one yard line, McCater booted the point.

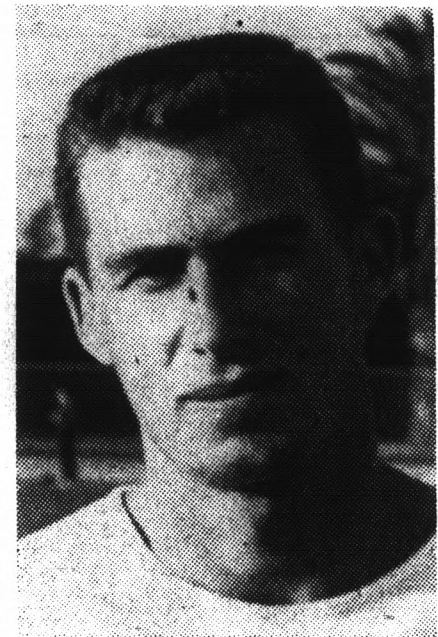

### Final Score

The Dons took over on the kick-off, from their own 25 yard line they marched 75 yards for four first downs and a touchdown. It was Prall who scored on a fourth down play from the 19 yard line on a bootleg play, the boot-leg play was used by Notre Dame in the 1920's, headed for the side lines Prall literally waltzed away and then sped into the end zone. Terrell's conversion was good, the final score 22-14.

## Danny Prall Voted At Vanderma's As Don-of-the-Week

Danny Prall, the Dons left-half for his great work in the Santa Ana San Bernardino game was voted as Don-of-the-Week.

Dan has been one of the few boys who has been in practically

every game the Dons have played. And has done exceedingly well in most of them.

The real highlight of Dan's being chosen as Don-of-the-Week was in the fourth quarter when he pulled a sneaky one on the Indians. On a fake with Chuck Neal taking off down field and diverting the Indians off of him Prall calmly walked away and then sped 19 yards for the T.D.

Dan went to Santa Ana High School and came to SAC in 1950 and played for the Dons then. He was chosen to be Co-Captain in 1951 but didn't come back until

## SAC's Donas In Spotlight

Santa Ana's Donas are out on the basketball court again, they have a record of two wins and no losses this season.

On October 7, the Donas beat Orange Coast College in both games at 25-4 and 35-16.

There are two teams of Donas with two cage games played at each meet, each Dona team plays one game.

On the first team the Donas have Arlevia Douglas Esther, Flores, Judy Broomell, Virginia Webster, Judy Cole, Barbara Baggerly, Judy Parks, Judy O'Brien and Carolyn Squires.

The second team has, Joan Fedden Joan Creech, Martie Musick, Pat Geiger, Jeanette Prather, Janet Tidball, Ruth Beutel, Carol Eisenbraun and Jane Markham.

The basketball schedule for the Donas is as follows:

November 4 SAC at East Los Angeles

November 10 SAC at Tustin

November 16 Fullerton at SAC

November 20 Southern California JC playday at Pasadena

November 23 SAC at Orange Coast College

December 2 Harbor JC at SAC Santa Ana's Donas also have a tennis team which is now in practice for their coming tournament at the beginning of the next semester.

The team now shows quite a few promising players, these include Louise Wilson, Esther Valles, Susan Paul, Eileen Kathman and Doris Oberlin.

Both the basketball team and the tennis team are coached by Miss Rellstab, the head of the women's PE department.

this year.

Dan married a girl who previously went to Santa Ana College.

In the meantime he was working on a commercial fishing boat which he likes and has taken deep sea fishing as one of his hobbies. He has spent three to four years working on these commercial fishing boats.

The voting for the Don-of-the-Week takes place after each game at Vanderma's Clothing Store at Fourth and Sycamore in Santa Ana.

## Sixth Of The Santa Ana College Orange Coast Conference Series

Santa Ana's Dons will meet Orange Coast tomorrow night at Huntington Beach at 8 o'clock for their sixth meeting in Eastern Conference competition.

Santa Ana College holds a 3-2 edge in the series. Don gridders won the first three of the five previous games, in 1948 13-6, 1949 20-2 and 1950 27-21. Orange Coast has

won the last two games in 1951 at 21-15 and 1952 14-0.

## Inman Takes Over, Cagers Practice At The Andrews Gym

Santa Ana's cage squad of 19, are without any name players but they have a lot of desire to play basketball and can be found working out daily each afternoon from 4 till 6 at the Andrews Gym.

In the tallest spot and out of Barstow High School, is Roy Gray at 6-3. Other big Don cagers are Dick Keck, San Dieguito 6-2; Jim Hart, Mater Dei 6-1½; and Ed Winter, Santa Ana 6-1½.

Don cagers and their high schools are as follows: Ted Roper (Orange), Pat McCrary (Orange), Ralph Lopez (Anaheim), Martin Bidart (Tustin), Clyde Bryan (Los Molinos), Jim Franklin (Franklin, Los Angeles), John Milsuuchi (University of Westwood), and Roland Truex, Terry Peters, Bill Bebermeyer, Al Drageset, Jim Bennett, Harvey Lara and Delbert Garrett of Santa Ana.

The rest of the team will turn out in November after Thanksgiving when several cagers who are now on the football squad will suit up.

Orange Coast's Pirates whipped Chaffey 19-0 last Saturday night at Huntington Beach. John Steinborn, Dan O'Donnell and John Himmelberger each scored a touchdown for Orange Coast, Steinborn added one of the extra points.

After knocking off San Bernardino's Indians, the 1952 Eastern Conference champions, last week the Dons will be seeking another conference win. The Dons have the "Victory Bug" and are planning to drown the Pirates in a flood of touchdowns.

The Dons this week will depend on Bob Switzer to lead them at the quarterback spot. Danny Prall, L.H.; Charlie Neal, R.H.; and Jim Roberts, will round out a speedy backfield.

On the forward wall for the Red and Black will be ends Ronald Adel and Jarrett Terrell, tackles Chuck Lyons and Larry Holcomb, co-captains and guards Eddie Liptrap, Jack Moynihan, handling the center chores will be Gene Geselle

## Guessers Discuss Don Games

## Santa Ana Could Whip OCC

Santa Ana's Second Guessers Club met last Monday in the Student Union to discuss the past weeks football games. They had as their guest speakers some of the well known Sports Editors from Orange County.

Commenting on the coming Santa Ana - Fullerton game on Thanksgiving Day, Bob Zimmer, sports writer

from Fullerton said that, "If Fullerton beats San Bernardino this Saturday, Santa Ana can expect to play a pretty tough game with them. Also that if Santa Ana plays Orange the way they played San Bernardino, they'll have a very good chance of beating Orange Coast College."

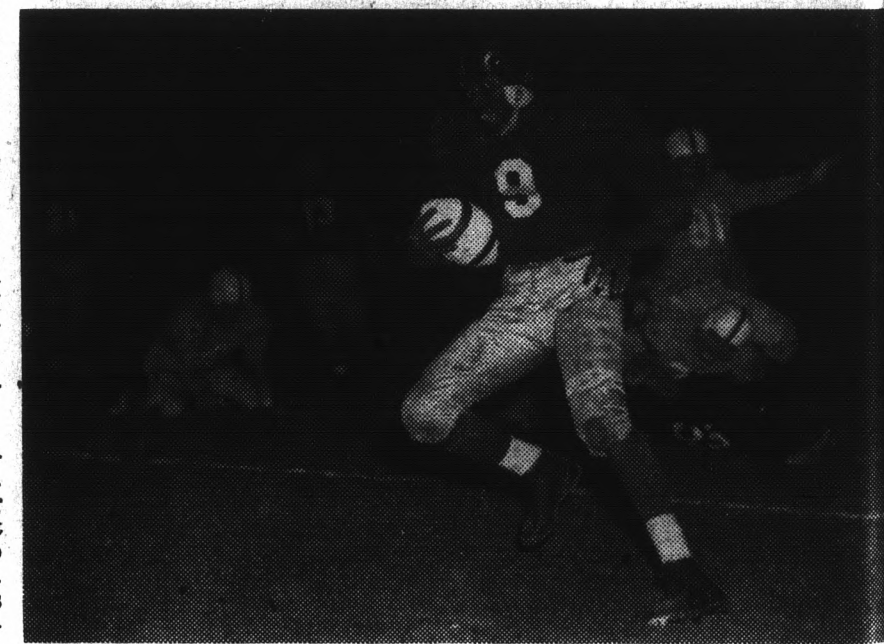

For the final outcome of the Eastern Conference games, Jerry Boyd from San Bernardino picked Santa Ana for second place, but to be true to his home team he has San Bernardino in the number one spot. Santa Ana's 22-14 win over them won't help them very much to get it.

Coach Eddie Eaton commented a little on the San Bernardino

game, he said that, "a little shady playing was done by the Indians such as the tackle that was thrown at Jim Roberts as he waited for a San Berdoo punt in the first half to be called dead."

Eaton also said that the boys did some great playing, but the "bootleg" play by Danny Prall in the fourth quarter was strictly his own idea.

Coach John Ward said, "We helped the boys call the plays, but it seemed that they scored on the ones that were their own ideas and that after Prall's score on the 'boot-leg' play he has no comment."

**MAN, DIS IS CRAZY**—Galloping Chuck Neal, Don right-half (9) goes flying down gridiron to rack up another 6 points for the Dons in the second quarter against San Bernardino. (El Don Photo by Al Zimmerman)
